## Dylan Eleven • Truth11.com

Many music artists have been exposing the truth with their work. The Smashing Pumpkins with their album Zeitgeist, Tool with their album Fear Inoculum, Bob Dylan, Black Sabbath, Van Morrison and Eric Clapton, just to some we have documented on Truth11.com.

Here is another example of **truth in music** by the band **Rush**. In this song Rush is exposing chemtrails.

## Vapor Trail by RUSH

## Lyrics

Stratospheric traces of our transitory flight  
Trails of condensation held  
In narrow paths of white  
The sun is turning black  
The world is turning gray  
All the stars fade from the night  
The oceans drain away Horizon to horizon  
Memory written on the wind  
Fading away, like an hourglass, grain by grain  
Swept away like voices in a hurricane In a vapor trail, in a vapor trail Atmospheric phases  
make the transitory last  
Vaporize the memories that freeze the fading past  
Silence all the songbirds  
Stilled by the killing frost  
Forests burn to ashes  
Everything is lost Horizon to horizon  
Memory written on the wind  
Washed away like footprints in the rain  
Swept away like voices in a hurricane In a vapor trail, in a vapor trail Washed away like  
footprints in the rain  
Swept away like voices in a hurricane In a vapor trail, in a vapor trail  
In a vapor trail, in a vapor trail  
In a vapor trail, in a vapor trail  
In a vapor trail, in a vapor trail Source:

**Songwriters: Alex Lifeson / Geddy Lee / Neil Peart**

### **Truth11 Films | Goodbye Blue Sky | Chemtrails, Ignored Genocide From Above**

Truth11 Films 11th film release; Is about the global problem we all face in Chemtrails aka geoengineering.

The film explains the difference between contrails and chemtrails, who is spraying us and why. What it is doing to our health and what you can do to prevent the planned global genocide that the elite is attempting.

Chemtrails are part of the global culling of the masses. Yet this obvious pollutant from above is largely ignored. Hidden in plain sight, most don't understand the dangers that are falling from the sky.
